

NORTH LAKES PAEDIATRIC DENTISTRY

proudly belongs to the

WE FIGHT CHALKY TEETH

Specialist Practice Network

2026 SPECIALIST PRACTICE

This unique network **helps people** (1) find specialist practices with strong interests in “**chalky teeth**” problems and (2) access **scientifically-based information** about chalky teeth (**Developmental Dental Defects**, or “**D3s**”).

Our Practice makes **educational materials** about chalky teeth, including a **children’s storybook**, freely available to our patients – just ask our friendly staff and see the **Chalky Teeth** page on our website. **We also keep up-to-date** and support **chalky teeth research and education** through membership to **The D3 Group** (thed3group.org).

© ‘The D3 Group’, ‘The Chalky Teeth Campaign’, ‘We Fight Chalky Teeth’ and ‘Chalky Teeth Check-up’ are copyrights of The D3 Group.
