

MY FIRST VISIT TO THE DENTIST

-
- Hello! My name is Katie and I am almost 2 years old!
 - I live at home with mum, dad and my puppy Frankie
 - I love to play with dolls, go on the swing and play with Frankie.

-
- My mum booked an appointment to have my teeth checked.
 - This was my first time seeing a dentist.
 - I didn't know what to expect but mummy said it'll be a fun visit.

- I went to visit the special children's dentist, Dr Nymphia, with mum

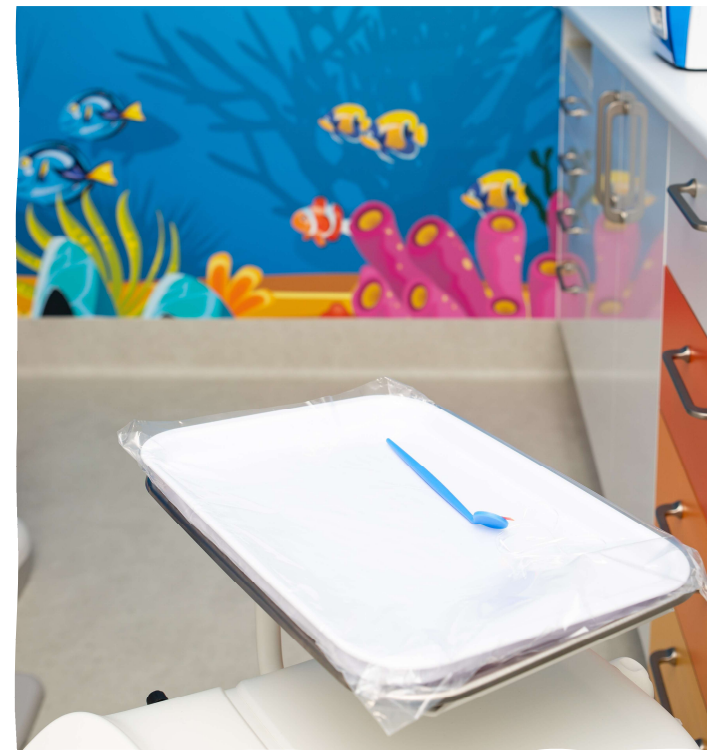

- The Waiting Room had a very interesting I Spy wall.
 - It was great fun finding toothbrushes, starfishes and more.
- There were also books to read and I had fun watching my favourite cartoon on the TV.

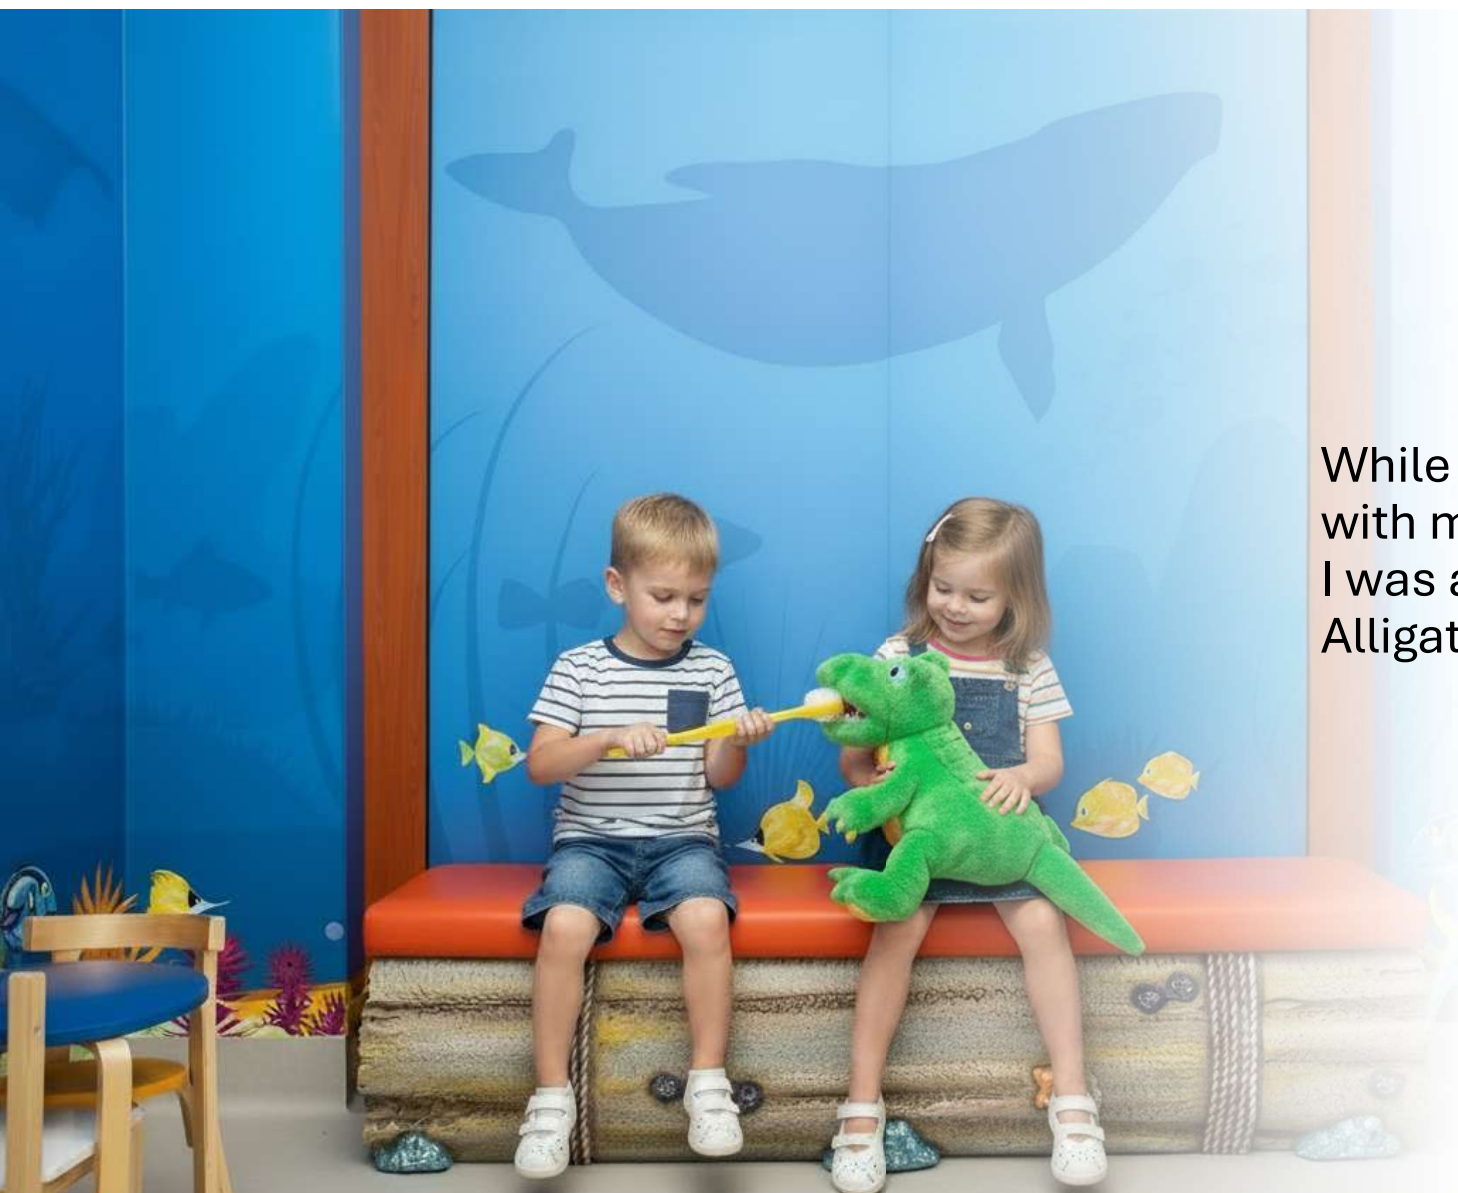

- The surgery room is a beautiful sea themed room.
- I sit down on the big magic chair which lies me back when I press my nose button!!!!

- Dr Nymphia looked at my teeth with a
- mirror.
- Then she took 2 pictures of my teeth.
- I was a little scared, but I was also very brave.

While Dr Nymphia had a chat with my mummy about my teeth, I was able to play with Ally, the Alligator.

Before going home, I got to choose a treasure from the treasure chest.

I was given a gift bag with a sparkly toothbrush and some flossettes for my teeth.

I loved my visit to the dentist and will see Dr Nymphia or Dr Maryam in 6 months for my next check up!!
